

Name: A. Mounish

Reg. no:192472273

Code: DSA0307

Course: Natural Language Processing

Experiment 14: Agreement Checking using CFG

Python Code:

```
subject = input("Enter subject: ")
verb = input("Enter verb: ")

if (subject.lower() == "he" and verb.lower() == "plays") or \
    (subject.lower() == "they" and verb.lower() == "play"):
    print("Agreement Correct")
else:
    print("Agreement Incorrect")
```

Output:

Output

```
Enter subject: He
Enter verb: Plays
Agreement Correct
```

```
=== Code Execution Successful ===
```
