

Name: A. Mounish

Reg. no:192472273

Code: DSA0307

Course: Natural Language Processing

Experiment 18: First Order Predicate Calculus (FOPC) Parser

Python Code:

```
expression = input("Enter logical expression: ")
```

```
if "(" in expression and ")" in expression:
```

```
    print("Valid FOPC Expression")
```

```
else:
```

```
    print("Invalid Expression")
```

Output:

Output

```
Enter logical expression: Human(Ram)
```

```
Valid FOPC Expression
```

```
