

Name: A. Mounish

Reg. no:192472273

Code: DSA0307

Course: Natural Language Processing

Experiment 20: Information Retrieval using TF-IDF

Python Code:

```
documents = [  
    "Python is easy",  
    "Machine Learning with Python",  
    "Artificial Intelligence"  
]  
  
keyword = input("Enter search word: ")  
  
print("Matching Documents:")  
  
for doc in documents:  
    if keyword.lower() in doc.lower():  
        print(doc)
```

Output:

Output
Enter search word: Python Matching Documents: Python is easy Machine Learning with Python === Code Execution Successful ===
