

Name: A. Mounish

Reg. no:192472273

Code: DSA0307

Course: Natural Language Processing

Experiment 26: Machine Translation (English to French)

Python Code:

```
dictionary = {  
    "hello": "bonjour",  
    "good": "bon",  
    "morning": "matin",  
    "thank": "merci",  
    "cat": "chat",  
    "dog": "chien"  
}  
  
word = input("Enter an English word: ")  
  
if word.lower() in dictionary:  
    print("French:", dictionary[word.lower()])  
else:  
    print("Translation not found")
```

Output:

Output

```
Enter an English word: hello  
French: bonjour
```

```
=== Code Execution Successful ===
